1. Lab at Home program @BARDA DRIVE

About: The program aims to develop disrupting platform technologies to collect and analyze biological samples at home. The technologies enable more rapid delivery of healthcare, adaptable to a broad menu of multiplex test panels and available to all.

Eligibility: Companies & Universities

Criteria:

- Non-invasive and minimally invasive samples
- Readily adaptable to broad menu of test panels
- Offer rapid results

Last Date: February 3rd, 2023

Apply: Send an inquiry email with a brief description of your technology and a call will be scheduled to discuss alignment if appropriate.

For more details: <https://drive.hhs.gov/partner.html>

For queries: homediagnostics@hhs.gov

2. Advance Material technologies @Technology Development Board

About: Proposals are invited from Indian companies with technologies in advance material for funding in form of loan, equity or grants. The proposal will be evaluated on basis of scientific, technological, financial and commercial basis

Eligibility: Company, Startup (DPIIT recognized)

Area: Technical textiles, functional materials, structural materials, emerging materials

Last Date: February 5th, 2023

Apply:

http://www.e-techcom.tdb.gov.in/company-registration.php?advanced_materials=1

For more details: <http://tdb.gov.in/wp-content/uploads/2022/12/More-Info.pdf>

For queries: scientist1@tdb.gov.in

3. Technology Development Program (3) 2023 @TIH Foundation for IoT and IoE

About: Proposals are invited from academia and industry or collaborative projects which would receive a grant up-to Rs 50 Lakhs for a duration of 6-36 months.

Eligibility: Academia, Company, MSME, Startup (DPIIT recognized)

Area: Smart Education, IOT Enabled Smart Healthcare

Last Date: February 6th, 2023 6pm IST

Apply: <https://form.jotform.com/230028951556457>

For more details: <https://www.tih.iitb.ac.in/innovative/technology-product-development/>

For queries: techdevelopment@tijiitb.org.

4. AWEspiring Program 2023 Atal Incubation Centre @ Banasthali Vidyapith

About: A three months training and coaching program for women entrepreneurs brought by AIC Banasthali and US Embassy.

Eligibility: Formal/informal business for over 2 years, startup registered, Women entrepreneurs from Delhi NCR, Rajasthan, Uttarakhand, Himachal Pradesh, Haryana, Punjab, Jammu & Kashmir, Leh Ladakh & Chandigarh.

Last Date: February 10th, 2023

Apply:

<https://docs.google.com/forms/d/e/1FAIpQLScbfCUvNd16tj72D7Zf9R9B14X0Wdb3MUepDAYcrLS7FdVlw/viewform>

For more details: <https://www.aicbanasthali.org/awespiring-2023/>

For queries: aic@banasthali.in

5. FAME Biotech 2.0 @BioNest IASST

About: Top three ideas in ideation stage will receive pre-incubation support, Top 3 ideas in prototype stage will receive incubation support for 6 months.

Eligibility:

- Individual Innovators, Entrepreneurs, Startups, Faculty members, Research Scholars, etc.
- Not received grant/funding greater than INR 10Lakhs
- If the end product is hazardous/detrimental to society, such applications will not be considered

Area: Agriculture, healthcare, waste management & bioenergy, industrial biotechnology, nutraceuticals, cosmetics, prosthetics, diagnostics, veterinary sciences, nanosciences, Ayurveda, bioinformatics & AI/ML etc

Last Date: February 10th, 2023

Apply:
