Thank you for the support.

SAAply is an acronym for Search Access Apply, running on LinkedIn and as a Newsletter since August 2022. SAAply is a one stop platform for researchers, faculty members, students, entrepreneurs, innovators and start-ups. Motto is simple to save time and find information at one place. Thereby, simplifying lives of Startups and Entrepreneurs.

I am Pooja Bhatia, the creator of **SAAply**. In addition, an author, host, and professional with experience in Intellectual Property Rights Management and Licensing. I hold an MBA degree in Technology Management, two internationally recognized credentials: **Certified Licensing Professional, Registered Technology Transfer Professional**, and a registered patent agent with the Indian Patent Office. I have transferred 65+ technologies in my career and was responsible for setting up and running a technology transfer office as the Chief Manager. Before that I was heading the IP and technology transfer team at **Foundation for Innovation and Technology Transfer, IIT Delhi**, managing a portfolio of 900+ patents.

An entrepreneur's life is not complete without the support of its clients, customers, friends, supporters, and competitors. Everyone, at some point of life needs support. **SAAply** is not an exception and I am grateful to nearly 1200 subscribers on LinkedIn, to SIDBI Cluster Intervention Program for sharing **SAAply's** Newsletter through Letsstartup, to BSC BioNest Bio-Incubator and TeamStrategize for sharing it among their startups.

I am also thankful to all of those who don't wish to be named, or have indirectly supported me in this journey.
